

I listen to KLOVE radio on 89.7 FM and 103.1 FM in Monterey county, California. This radio station is a positive influence on me and my family (including my 12 year old daughter). It gives my family the option of listening to Christian music which is what we enjoy listening to. I believe it is in the interest of the public to keep this station on the air because it gives positive information/input into our lives and the lives of those listening. It honestly makes me a kinder, more Christ-like person which, in turn, makes me a better person in my home and community. It's biblically based so the morals are sound. It does not encourage any type of violent or disrespectful behaviour which is a rarity these days. Please allow this station to remain in our town. Thank you.
